**Model Official Certification of plants producing milk replacers/milk products
for animal feed intended for export to Israel**

The official veterinary authority of _____
(country)

hereby certifies that:

1. The plant _____
(name, address and official registration
is certified by the ~~Veterinary~~ Veterinary Services of this country as a processing plant dedicated only to
milk replacers⁽¹⁾ / milk products⁽¹⁾ production for local use as well as for export to Israel.
2. The said plant produces its products under the direct supervision of an officially accredited
veterinarian, complying with approved good manufacturing practice.
3. The raw materials utilized for the production of the products are all of local (producer
country) origin only, and do not contain any material derived from animal tissues, excluding
milk protein.
4. The end products are regularly checked bacteriologically for freedom from pathogenic
organisms, including Salmonella spp., and are kept and packed in a way that prevents
recontamination.
