

## **Minnesota Resources for Service Members Returning from Deployment**

Below is information about reintegration resources in Minnesota for those returning from deployment and their families.

-----

### **Continuous Reintegration Training for Community, Faith-Based, and Educational Institutions**

Minnesota has developed a strong reintegration program to assure that returning veterans are properly taken care of upon their return.

- PreDeployment/PreCombat Training
- Combat Operations Training
- Family Readiness Group Training
- Demobilization Training
- Reintegration Training Series (initial, 30, 60, 90 days)
- Community Reintegration Training
- Faith based Training
- Education Training
