University of Phoenix

Associate in Arts (Aviation Technology - Aviators)

STUDENT DATA:
NAME: ROADMAP'S DEGREE   **SSN:** 000-00-0000

	Credit Required	Potential Credit

English Composition [EN024A]   3.00

(English courses or exams taken more than 2 years prior to enrollment
require proficiency exam which may be taken on-line at no cost. CLEP
English without essay is accepted by UoP.)
{DANTES Code = 11.07.00}

Humanities   6.00

(Course work in the humanities focuses on the development of ideas and
values, appreciation of cultural and artistic achievements, and the
evaluation of human experience. Courses in general humanities, philosophy,
literature, fine arts, music, theater, and religious studies normally
satisfy requirements in this area. Certain courses in political science and
intellectual history emphasizing the development of cultural thought
processes may also satisfy humanities requirements. UoP does not accept
foreign language as a Humanities. This requirement may be filled with
college level testing credit.)
{DANTES Code = any 08.XX, any 11.XX, or some 04.XX series}

Social Sciences   6.00

(Course work in the social sciences promotes understanding of human
behavior as well as the structure and dynamics of social systems. Emphasis
is on the discovery of patterns in social processes and institutions, both
past and present. Courses in anthropology, sociology, ethnic and gender
studies, geography, political science, psychology, history, and certain
communications courses focusing on mass media and society typically satisfy
these requirements. This requirement may be filled with college level
testing credit.)
{DANTES Code any 20.XX.XX series}

Mathematics - or one course in Math + the UoP Math Proficiency Exam*   6.00
(*Students who have completed one course in Math prior to transfer to UoP
may take the UoP Mathematics Proficiency Examination. If passed, they may
substitute the remaining course in this section with any other liberal arts
subject.
(Course work in the mathematics area develops quantitative and analytical
skills in the fields of mathematics and advanced logic. The area does not
include courses in which mathematics is merely an applied component (such
as finance and accounting), nor does it include mathematics foundation
courses below the level of college algebra. This requirement may be filled

with college level testing credit.)
{DANTES Code = any 14.XX.XX series}

Natural Science: Physical or Biological Science   3.00

(Course work in the sciences provides students with an understanding of
nature and the physical world, along with knowledge of the methods
scientists use to study the world around them. Courses in astronomy,
biology, chemistry, physics, anatomy and physiology, geology, and
environmental science typically satisfy requirements in this area. Certain
courses in geography or aerospace studies which emphasize the earth's
physical characteristics, weather, and climate are included in the science
category, along with highly specialized course work in the social sciences
such as physical anthropology, archaeological field methods, and psychology
courses which focus on human physiological processes. This requirement may
be filled with college level testing credit.)
{DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX

Natural Science or Technology   3.00

(Technology refers to the applications of scientific knowledge in making
and using tools to enhance material culture. Course work in the area of
technology which satisfies general education requirements includes
engineering, materials science, electronics courses that emphasize theory
and design, and computer science. Courses which focus primarily on the
social and environmental conflicts which arise over the uses of technology
usually satisfy requirements in the social sciences and humanities. This
requirement may be filled with college level testing credit.)
{DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX or 05.XX.XX series}

Liberal Arts Electives   6.00

(Students will pursue more depth in the liberal arts by select two
additional courses in any of the liberal arts categories. This requirement
may be filled with college level testing credit.)
{DANTES Code = 08.XX or 11.XX or 13.XX or 16.XX or 17.XX or 20.00 series}

Written Communication for AACR (COM 299)   3.00

(This course assists students in analyzing their experiences and
communicating the experiences effectively. Further, the course focuses on
core academic skills necessary for writing effective college-level essays
and covers writing strategies, paragraph use and structure, and sentence
construction. This course also covers the application of peerreview,
collaborative, and error analysis strategies for developing more effective
communication.)

Aviation Technology Electives   15.00

(This requirement may be filled with college level testing.)
{DANTES Code = any 21.01.XX series}

Free Electives   9.00

(This requirement may be filled with college level testing.)

Excess or Duplicate Credit

TOTAL 60.00   0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas
we serve as an activity in support of your unit Educational Services Officer (ESO),
you are encouraged to seek assistance from your local ESO in your academic
endeavors. The following information is provided to help you understand what is
presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary
assessment of how your prior learning experiences might fit into the specified
degree program for this academic institution. If you choose to pursue this degree
option, you must present it to a college representative, who will review it for the
following:

o Accurate representation of the college's degree program requirements, including
course numbers and titles, credit hours for each course, lower- and upper-level
course requirements, and the total number of credits needed for the degree.

o Appropriate assignment of ACE Guide-recommended credit at the lower or upper
level for military service schools and occupations, CLEP, DSST, and other tests,
transfer credit for courses from other colleges and universities, certification
programs, etc.

o Appropriate assignment of SOC Course Category Codes from the SOC Handbook
Transferability Tables. The SOC Degree Program Handbooks can be obtained from the
SOC web site at: www.soc.aascu.org should you wish to learn more about the course
transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program,
please contact the USCG Institute at 1-405-954-7241. Your advisor will send the
college or university an official U.S. Coast Guard Institute transcript, a copy of
the degree plan, and a ready-for-signature SOC Student Agreement which, when signed
by a college official, becomes a contract for degree completion committing the
college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent
directly to this college from the administrative offices of the colleges you
previously attended. This degree plan is often used for information purposes by
college counselors pending receipt of the official transcripts from the source
colleges.

This degree plan is not intended to compete with your local college or university.
Keep in mind, you are allowed to transfer in a significant amount of the degree
requirements to this institution. As such, credit from local colleges, college
level examination programs, or advanced military training may be applied to this
degree. You may also complete the courses necessary from this college either in
residence (on campus or possibly on a military base at a campus extension in the
Education Center) or through distance delivery of the courses. If you have
questions, please contact the college counselor or your advisor listed at the bottom
of this Degree Plan.

DEGREE PLAN LEGEND:

```
SH     =  Semester hours
VOC    =  Vocational, not relative to an academic degree
LL      =  Lower Level, i.e. courses at the Freshman/Sophomore level
UL      = Upper Level, i.e. courses at the Junior/Senior level
GL      = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **
```

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at http://www.soc.aascu.org/

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm   Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

University of Phoenix (UoP) General Information

At University of Phoenix, you can earn your bachelor's, master's or doctoral degree any way you want to - on campus, online, or in certain areas using a combination of both, which is called FlexNet®. University of Phoenix has grown to be the nation's largest private university, specializing in the education of working adults by offering degree programs that are highly relevant, accessible, and efficient. With over 100 campuses and learning centers in the United States, Puerto Rico, Canada and via the Internet, you can complete your degree no matter where you live, what hours you work, or how often you travel or relocate.

```
Tuition per course:    $750 for COM-299 (subject to change)
Cost per credit online $ 250
Application Fee      $110   (Subject to change)
Graduation Fee       $55
Resource Fee              $60
```

POLICY NOTES:

The maximum amount of college level testing credit accepted by UOP is 30 semester
hours for an Associates Degree or a Bachelor's Degree. Transfer credit accepted by
UoP is unlimited for an Associates Degree (combination of
 military credit, college level testing, and college courses). The remaining 30
semester hours for an Associates Degree must be taken through colleges (3 semester
hours for this Associates Degree must be taken through UOP).

Proficiency Component

In line with mission of the University's General Education program to ensure that
students have reached baseline levels in basic skills before entering into the
professional programs, student must demonstrate current proficiency in the areas of
written communication, mathematical reasoning, and critical thinking. All bachelor
degree seeking students must begin demonstration of Math, English and Critical
Thinking proficiency prior to enrolling in their seventh course, or any course that
requires proficiency as a prerequisite.

1. Written Communication

a. Earn "C-" or better in COMM 215
b. Achieve a passing score on the University of Phoenix English Proficiency
Assessment.
c. Achieve a passing score on the College Composition CLEP exam within the past two
years.
d. A grade of "B" or better in a comparable course from a regionally or approved
nationally, accredited institution within two years of application to the
University.

2. Mathematical Reasoning

a. Earn "C-" or better in MTH 209
b. Achieve a passing score on the University of Phoenix Math Proficiency Assessment.
c. Achieve a passing score on Mathematics (or higher) CLEP exam within the past two
years.
d. A grade of "B" or better in a comparable course from a regionally or approved
nationally, accredited institution within two years of application to the
University.

3. Critical Thinking

a. Earn "C-" or better in PHL 251
b. Achieve a passing score on the University of Phoenix Critical Thinking
Proficiency Assessment.
c. A grade of "B" or better in a comparable course from a regionally or approved
nationally, accredited institution within two years of application to the
University.

The University reserves the right to modify the required course of study.

This college is rated as one of the nation's best in U.S. News & World Report's
"America's Best Colleges" issue.

Evaluation completed by: Charles Morrison   On: 21 May 2007
