This is an unofficial evaluation. Please compare it to information in your training summary in the CGHRMS database. Any discrepancies should be corrected in the CGHRMS database prior to requesting an official transcript.

As you review the evaluation, you may notice certain courses/schools which are not included on your final evaluation. There are a number of reasons why this happens. Some of the most frequent reasons are that the course/school:

- ○ was not evaluated for college credit at the time of your participation.
- ○ has not been evaluated because it does not meet the necessary criteria. (40 contact hours, end-of-course examination,etc.)
- ○ the course/school is conducted by an organization not recognized by the U.S. Department of Educaton and the the Council for Higher Education Accreditation.
