

University of Phoenix

Associate in Arts (Computer Science Technology)

STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Potential Required Credit

English Composition [EN024A]

3.00

(English courses or exams taken more than 2 years prior to enrollment require proficiency exam which may be taken on-line at no cost. CLEP English without essay is accepted by UoP.) {DANTES Code = 11.07.00}

Humanities

6.00

(Course work in the humanities focuses on the development of ideas and values, appreciation of cultural and artistic achievements, and the evaluation of human experience. Courses in general humanities, philosophy, literature, fine arts, music, theater, and religious studies normally satisfy requirements in this area. Certain courses in political science and intellectual history emphasizing the development of cultural thought processes may also satisfy humanities requirements. UoP does not accept foreign language as a Humanities. This requirement may be filled with college level testing credit.) {DANTES Code = any 08.XX, any 11.XX, or some 04.XX series}

Social Sciences

6.00

(Course work in the social sciences promotes understanding of human behavior as well as the structure and dynamics of social systems. Emphasis is on the discovery of patterns in social processes and institutions, both past and present. Courses in anthropology, sociology, ethnic and gender studies, geography, political science, psychology, history, and certain communications courses focusing on mass media and society typically satisfy these requirements. This requirement may be filled with college level testing credit.) {DANTES Code any 20.XX.XX series}

Mathematics - or one course in Math + the UoP Math Proficiency Exam\*

6.00

(\*Students who have completed one course in Math prior to transfer to UoP may take the UoP Mathematics Proficiency Examination. If passed, they may substitute the remaining course in this section with any other liberal arts subject. (Course work in the mathematics area develops quantitative and analytical skills in the fields of mathematics and advanced logic. The area does not include courses in which mathematics is merely an applied component (such as finance and accounting), nor does it include mathematics foundation courses below the level of college algebra. This requirement may be filled

with college level testing credit.)  
 {DANTES Code = any 14.XX.XX series}

**Natural Science: Physical or Biological Science** **3.00**

(Course work in the sciences provides students with an understanding of nature and the physical world, along with knowledge of the methods scientists use to study the world around them. Courses in astronomy, biology, chemistry, physics, anatomy and physiology, geology, and environmental science typically satisfy requirements in this area. Certain courses in geography or aerospace studies which emphasize the earth's physical characteristics, weather, and climate are included in the science category, along with highly specialized course work in the social sciences such as physical anthropology, archaeological field methods, and psychology courses which focus on human physiological processes. This requirement may be filled with college level testing credit.)  
 {DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX}

**Natural Science or Technology** **3.00**

(Technology refers to the applications of scientific knowledge in making and using tools to enhance material culture. Course work in the area of technology which satisfies general education requirements includes engineering, materials science, electronics courses that emphasize theory and design, and computer science. Courses which focus primarily on the social and environmental conflicts which arise over the uses of technology usually satisfy requirements in the social sciences and humanities. This requirement may be filled with college level testing credit.)  
 {DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX or 05.XX.XX series}

**Liberal Arts Electives** **6.00**

(Students will pursue more depth in the liberal arts by select two additional courses in any of the liberal arts categories. This requirement may be filled with college level testing credit.)  
 {DANTES Code = 08.XX or 11.XX or 13.XX or 16.XX or 17.XX or 20.00 series}

**Written Communication for AACR (COM 299)** **3.00**

(This course assists students in analyzing their experiences and communicating the experiences effectively. Further, the course focuses on core academic skills necessary for writing effective college-level essays and covers writing strategies, paragraph use and structure, and sentence construction. This course also covers the application of peerreview, collaborative, and error analysis strategies for developing more effective communication.)

**Computer Science Technology Electives** **15.00**

(This requirement may be filled with college level testing.)  
 {DANTES Code = 05.XX.XX series}

**Free Electives** **9.00**

(This requirement may be filled with college level testing.)

**Excess or Duplicate Credit**

TOTAL ..... 60.00 0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: [www.soc.aascu.org](http://www.soc.aascu.org) should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours  
VOC = Vocational, not relative to an academic degree  
LL = Lower Level, i.e. courses at the Freshman/Sophomore level  
UL = Upper Level, i.e. courses at the Junior/Senior level  
GL = Graduate Level (sometimes recommended by ACE for very complex courses)  
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes\*  
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes \*\*

\* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

\*\* DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit [http://www.dantes.doded.mil/dantes\\_web/distancelearning/disc/front/cont.htm](http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm) Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

#### University of Phoenix (UoP) General Information

At University of Phoenix, you can earn your bachelor's, master's or doctoral degree any way you want to - on campus, online, or in certain areas using a combination of both, which is called FlexNet®. University of Phoenix has grown to be the nation's largest private university, specializing in the education of working adults by offering degree programs that are highly relevant, accessible, and efficient. With over 100 campuses and learning centers in the United States, Puerto Rico, Canada and via the Internet, you can complete your degree no matter where you live, what hours you work, or how often you travel or relocate.

Tuition per course: \$750 for COM-299 (subject to change)  
Cost per credit online \$ 250  
Application Fee \$110 (Subject to change)  
Graduation Fee \$55  
Resource Fee \$60

To discuss your next step toward earning this degree with UoP, contact:

POLICY NOTES:

The maximum amount of college level testing credit accepted by UOP is 30 semester hours for an Associates Degree or a Bachelor's Degree. Transfer credit accepted by UoP is unlimited for an Associates Degree (combination of military credit, college level testing, and college courses). The remaining 30 semester hours for an Associates Degree must be taken through colleges (3 semester hours for this Associates Degree must be taken through UOP).

Proficiency Component

In line with mission of the University's General Education program to ensure that students have reached baseline levels in basic skills before entering into the professional programs, student must demonstrate current proficiency in the areas of written communication, mathematical reasoning, and critical thinking. All bachelor degree seeking students must begin demonstration of Math, English and Critical Thinking proficiency prior to enrolling in their seventh course, or any course that requires proficiency as a prerequisite.

1. Written Communication

- a. Earn "C-" or better in COMM 215
- b. Achieve a passing score on the University of Phoenix English Proficiency Assessment.
- c. Achieve a passing score on the College Composition CLEP exam within the past two years.
- d. A grade of "B" or better in a comparable course from a regionally or approved nationally, accredited institution within two years of application to the University.

2. Mathematical Reasoning

- a. Earn "C-" or better in MTH 209
- b. Achieve a passing score on the University of Phoenix Math Proficiency Assessment.
- c. Achieve a passing score on Mathematics (or higher) CLEP exam within the past two years.
- d. A grade of "B" or better in a comparable course from a regionally or approved nationally, accredited institution within two years of application to the University.

3. Critical Thinking

- a. Earn "C-" or better in PHL 251
- b. Achieve a passing score on the University of Phoenix Critical Thinking Proficiency Assessment.
- c. A grade of "B" or better in a comparable course from a regionally or approved nationally, accredited institution within two years of application to the University.

The University reserves the right to modify the required course of study.

This college is rated as one of the nation's best in U.S. News & World Report's "America's Best Colleges" issue.
