

**KING COUNTY SOLID WASTE DIVISION  
REPORT OF C&D RECYCLING FACILITIES**  
Last updated 5/9/08

C&D recycling/diversion rates are extracted from Waste Management and Allied Waste monthly tonnage reports to King County and C&D recycling reports from Recovery 1, CDL Recycle, and Glacier Recycle

The recycling/diversion rate is based on the C&D materials each facility accepts for "recycling".  
The facility recycling rate is based on all of the C&D materials accepted by the facility.

Rates are posted quarterly.

For more information on the mixed C&D recycling facilities listed here please refer to:  
the Construction and Demolition Debris Recycling [Web site](#).

For information on where pure loads of recyclables can be sent for recycling  
please visit the "[What Do I Do With...?](#)" site.

Waste Management- Cascade Recycling Center	Recycling/ Diversion Rate (LEED Accepted)	Percentage of Diverted Materials Recycled	Percentage of Diverted Materials to Beneficial Use - Boiler Fuel	Percentage of Diverted Materials to Beneficial Use - ADC, IWS, and Soil Amendment	Facility Recycling Rate
