

April 26, 2006 Notice No. 2006-WBG-16

To: All USAID Contractors and Grantees

Subject: <u>Recent OFAC Actions</u>

Dear Contractors and Grantees,

The Treasury Department's Office of Foreign Assets Control (OFAC) has issued an important notice concerning transactions with the Palestinian Authority. See http://www.treas.gov/offices/enforcement/ofac/actions/20060412.shtml. The notice includes a link to six general licenses issued by OFAC: http://www.treas.gov/offices/enforcement/ofac/programs/terror/terror.shtml#gls. In addition, OFAC has also issued a specific license (copy attached) pertaining to certain transactions by the State Department, USAID, and contractors and grantees of State and USAID.

Despite the issuance of these licenses, contractors and grantees are still required to comply with the "no contact" policy that has been discussed at past partners meetings. Further guidance on that policy will be provided shortly. The licenses do not affect policy determinations by the Secretary of State about which assistance activities in the West Bank and Gaza will be continued, suspended or cancelled.

Contractors and grantees are reminded that in addition to the sanctions cited in the OFAC notice (31 C.F.R. Parts 594, 595 and 597), there are other legal restrictions on transactions with terrorist organizations, including a criminal statute that prohibits knowingly providing "material support or resources" to designated foreign terrorist organizations (18 U.S.C. 2339), as well as export controls that may be applicable. Contractors and grantees are responsible for ensuring that all transactions in which they engage comply with all applicable legal restrictions. Nothing in this notice should be construed as providing advice on that question.

Sincerely, Ky llu

Roy Plucknett Contracting Officer USAID West Bank & Gaza Mission
