

WELCOME TO THE NOAA TEACHER AT SEA ALUMNI LISTSERV
tasa@willamette.nos.noaa.gov

Please save this message so you can quickly reference the instructions below.

You are now welcome to join the listserv run by NOAA's Teacher at Sea Program. This listserv was created to provide information to the alumni of NOAA's Teacher at Sea program including information about grant opportunities and partnership opportunities; invitations to participate in exclusive NOAA education events; classroom materials; invitations to attend and speak at regional workshops and conferences; the possibility of participating in another cruise as a mentor to a new NOAA Teacher at Sea; the possibility of becoming a NOAA Teacher in the Air (to participate in a flight on one of NOAA's planes). Using a listserv instead of an e-mail list provides easier management and better security for us all.

If you would like to send a message to the list you should send an e-mail to the address: tasa@willamette.nos.noaa.gov

IMPORTANT: Messages should NOT include 1) salacious material; 2) offensive language; 3) advertisements or 4) material irrelevant to this Teacher at Sea Alumni discussion group (including jokes, chain letters, funny photos, political commentary, etc.).

Any Teacher at Sea alumnus may subscribe to this list. Please read the guidelines below for engaging in discussion. In addition, familiarize yourself with how the list operates, especially if you have never participated in an Internet e-mail discussion group before. It is a good idea to save this message somewhere so you know how to unsubscribe.

QUICK INSTRUCTIONS

(Note: all of these commands are case sensitive)

To add yourself to the list, send a message to requests@willamette.nos.noaa.gov with subject "Subscribe tasa".

To remove yourself from the list, send a message to requests@willamette.nos.noaa.gov with the subject "unsubscribe tasa"

To post a message, send a message to tasa@willamette.nos.noaa.gov

To get a list of detailed instructions, send a message to requests@willamette.nos.noaa.gov with the subject "info tasa"
(you are reading this document now)

DETAILED INSTRUCTIONS

The following commands are accepted:

--- Subscribe

To add yourself to the list, send a message to requests@willamette.nos.noaa.gov with subject "Subscribe tasa". Your name will be added to the list of subscribers. You will receive all posts and be allowed to post from that address.

--- Unsubscribe

To remove yourself from the list, send a message to requests@willamette.nos.noaa.gov with subject "Unsubscribe tasa". Your name will be removed from the list of subscribers. You will no longer receive any posts, and will not be allowed to post to that address.

--- Information

To retrieve a current copy of this Information file, send a message to requests@willamette.nos.noaa.gov with subject "Info tasa".

POSTING TO THE LIST

To send a message to the entire list, send a message to tasa@willamette.nos.noaa.gov

CONTACTING A HUMAN

If you have problems using these commands, you should contact tascomments@noaa.gov
