This is a formal COMPLAINT of indecency on broadcast television. My complaint concerns the PROGRAM ON:

NETWORK: Fox-TV
PROGRAM TITLE: Married By America
BROADCAST DATE: April 7, 2003
BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Here's just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).
- Jill is sitting behind a male stripper. He grabs her hand and starts to put it down the front of his shorts.
- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spanks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

COMPLAINANT believes that this material is in context and fully representative of the show's overall tone and quality. COMPLAINANT affirms that such material is indecent according to the standards of COMPLAINANT's community.

Sincerely,

[REDACTED]

Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Here's just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).
- Jill is sitting behind a male stripper. He grabs her hand and starts to put it down the front of his shorts.
- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

COMPLAINANT believes that this material is in context and fully representative of the show's overall tone and quality. COMPLAINANT affirms that such material is indecent according to the standards of COMPLAINANT's community.

Sincerely,

William Knowles-Kellett

- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

This is a formal COMPLAINT of indecency on broadcast television. My complaint concerns the PROGRAM ON:

NETWORK: Fox-TV
PROGRAM TITLE: Married By America
BROADCAST DATE: April 7, 2003
BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Here's just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).

- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spanks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."

- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.

- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

This is a formal COMPLAINT of indecency on broadcast television. My complaint concerns the PROGRAM ON:

NETWORK: Fox-TV

PROGRAM TITLE: Married By America

BROADCAST DATE: April 7, 2003

BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Here's just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).
- Jill is sitting behind a male stripper. He grabs her hand and starts to put it down the front of his shorts.
- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

COMPLAINANT believes that this material is in context and fully representative of the show's overall tone and quality. COMPLAINANT affirms that such material is indecent according to the standards of COMPLAINANT's community.

Sincerely,

A black rectangular redaction mark covering the signature of the complainant.

BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Here's just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).
- Jill is sitting behind a male stripper. He grabs her hand and starts to put it down the front of his shorts.
- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansk him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."
- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.
-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.
-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

COMPLAINANT believes that this material is in context and fully representative of the show's overall tone and quality. COMPLAINANT affirms that such material is indecent according to the standards of COMPLAINANT's community.

Sincerely,

William Knowles-Kellett

stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.
-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.
-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

This is a formal COMPLAINT of indecency on broadcast television. My complaint concerns the PROGRAM ON:

NETWORK: Fox-TV

PROGRAM TITLE: Married By America

BROADCAST DATE: April 7, 2003

BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Heres just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.

Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."

BROADCAST TIME: 9:00 PM Eastern & Pacific Time, 8:00 PM Central & Mountain Time

Documentation of the indecent material on which my COMPLAINT is based is provided below. A video tape of this entire episode of "Married By America" is available from the Parents Television Council. PLEASE KEEP ME INFORMED OF THE PROGRESS AND RESULTS OF YOUR INVESTIGATION INTO THIS MATTER.

SUMMARY OF INDECENT CONTENT IN THE APRIL 7, 2003 BROADCAST OF MARRIED BY AMERICA In this episode two women, Billie Jean and Jill, are engaged to Tony and Kevin and are flown to Las Vegas for a joint bachelorette party with several of their best friends. Tony and Kevin, meanwhile, are also flown to Vegas for their joint bachelor party with their best friends.

Heres just some of what TV viewers, young and old (the show was aired at 9 PM), heard and saw:

- Billie Jean gets up on a table and starts dancing. One of her friends stuffs some money down her skirt. Billie Jean holds some money in her teeth, and one of the girls removes the money from Billie Jean's mouth with her teeth.
- Jill removes a garter from Billie Jean's leg with her teeth.
- Jill is shown spanking the bottom of one of the strippers.
- Billie Jean is shown running her hands down the torso of a male stripper. The camera pulls back a little, and viewers can see the stripper's pelvic bones (so it looks like he doesn't have anything on).
- Jill is sitting behind a male stripper. He grabs her hand and starts to put it down the front of his shorts.
- Jill licks whipped cream off the nipple of a male stripper.
- Two female strippers show up at the guys' bachelor party. They are wearing see-through lace dresses and thongs, and nothing else. They are shown removing their dresses, sitting on Tony's lap and fondling him and each other. The girls are sisters. Their breasts are partially blurred, but it's obvious that they are topless. Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours." Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
- A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
- Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
- Billie Jean: "So we were having a great time with the stripper, I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."

-- The stripper is shown reclined on the couch. She is wearing only a thong and is holding her breasts in her hands. She has a line of whipped cream running down her torso from her stomach to between her breasts. Billie Jean licks the whipped cream off the woman's torso and sticks out her tongue. The stripper also sticks out her tongue.

-- Tony goes into the bathroom with one of the female strippers. She's got her dress on, but the dress ends just below her hips, exposing most of her buttocks.

-- One of the strippers pulls Kevin over to the couch. She rubs her leg against his groin and removes her dress while she's sitting on his lap. One of his friends puts an end to it. She is shown standing up in front of him topless, in just her thong and says that Kevin "chickened out."

COMPLAINANT believes that this material is in context and fully representative of the show's overall tone and quality. COMPLAINANT affirms that such material is indecent according to the standards of COMPLAINANTS community.

Sincerely,

William Knowles-Kellett

Tony says, "They did manage to take my pants and my shirt off and, uh, got me on all fours."
 - Tony is shown on his hands and knees in his underwear. One of the topless strippers (who is only wearing a thong) spansks him with a leather belt.
 - A female stripper joins the bachelorette party. She is shown removing her dress, and kissing Billie Jean on the lips.
 - Jill is sitting astride the female stripper's lap, facing the stripper. The stripper is holding her exposed breasts in her hands. Jill starts bouncing up and down on her lap.
 - Billie Jean: "So we were having a great time with the stripper. I mean, Jill was touching her, I was touching her. I licked the whipped cream off of her, and then it was Jill's turn and all of a sudden Jill just changes her mind."

Mr. Michael Powell,

I am sending this letter requesting that something be done about the Fox Network. The shows on this station are always the worst in sexual content, and their reality show Married By America has hit a new low.

On April 7, 2003 at 9:00pm Eastern and Pacific time, 8:00pm Central and Mountain time, Fox aired an episode of Married By America having a bachelor and bachelorette party. Below are some of the things that were said and done.

At the bachelorette party:

- Billie Jean dances on the table while her friends stuff money down her skirt. She then puts some of the bills in her mouth and another girl takes the money using her teeth.
- Jill removes a garter belt from Billie Jean's leg using her teeth.
- Jill spanks the male stripper.
- Billie Jean is shown seductively running her hands down the stripper's body. The camera pulls back and his pelvic bone is exposed (clearly he's naked.)
- Jill is sitting behind the stripper. He grabs her hand and starts to put it down his shorts.
- Jill licks whipped cream off his nipples.
- A female stripper joins the party. After removing her dress she kisses Billie Jean on the lips.
- Jill sits astride the female stripper's lap while the stripper holds her exposed breasts in her hands. Jill starts bouncing up and down, mimicking what a woman does on a man's lap.
- Billie Jean is talking "So we were having a great time with the stripper, I mean, Jill is touching her, I was touching her. I licked the whipped cream off her, and then it was Jill's turn and all of a sudden Jill just changes her mind." (Amazing to see that even obscene and indecent bimbos have a certain line they won't cross.)
- The camera turns from Billie Jean's conversation to the scene she was talking about. The stripper is reclined on the couch, still holding her breasts in her hands. A line of whipped cream extends from between her breasts to the top of her thong. Billie Jean licks off the whipped cream and sticks out her tongue. The stripper also sticking out her tongue.

EB-03-IH-0203

The guys bachelor party:

--Two female strippers show up at the party wearing see-through lace dresses and thongs. They remove their dresses and sit on Tony's lap. They fondle him and each other. Their breasts are partially blurred, but it's obvious they are topless.

-- Tony says, "They did manage to take my pants and shirt off, and uh, got me on all fours."

--The camera shifts to the scene and Tony is shown on his hands and knees in nothing but his underwear. One of the strippers (dressed only in a thong) spansks him with a leather belt.

--Tony goes into the bathroom with one of the strippers. Although she's wearing the see-through dress it only comes to her hips and her buttocks are fully exposed.

--The other stripper pulls Kevin over to the couch. She rubs her leg against his groin. She removes her dress while sitting on his lap. Kevin (obviously the only one on the show with principles) is not interested and his friend finally puts a stop to it.

-- The stripper is then shown standing in front of him, still topless and clad in only a thong and says that Kevin "chickened out."

Re: Married by America

Dear Sir or Madam:

Although I have never watched this program prior to Monday, April 7, 2003, my husband happened to tune in to Married by America on this particular night. The station that the program aired on was Fox, and the local station call letters in Tampa, Florida are WTVT. I wasn't paying much attention at first as I was preoccupied with something else. Two of my children, aged 15 and 16, were watching also. Thank goodness I didn't let my 11 and 13 year old stay up a little late as I sometimes do.

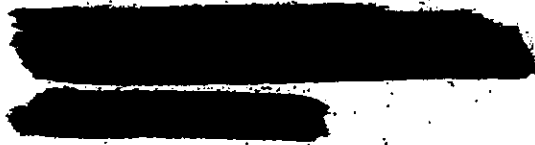

I happened to look up from what I was doing to see the bachelor and bachelorette parties scenes. At the bachelor party there were two female strippers who were obviously nude (their private areas were blurred). Both women were kissing (among doing other things) to one of the "bachelors" and to each other. The bachelorette party was just as bad, if not worse. Of course, they had a male stripper who was making mock sexual performances on both "bachelorettes." Then, they also had a female stripper perform for the "bachelorettes." The female stripper who, again, was obviously nude, and one of the "bachelorettes" started kissing and touching each other in a very sexual way. At this point, the program was turned off. I was disgusted. This all occurred in about a 1-2 minute time span.

I don't know what happened prior to that portion of the program or what my children saw before I happened to notice. If I had not been sitting there, as I am sure happens with a lot of parents, they would have seen much more. I could not believe this was being shown on primetime TV. (9:00 p.m.).

This certainly is not the type of thing that should be shown on national television.

Please consider carefully what impact programming like this has on the mind + hearts of not only innocent children, but on adults as well.

I beg you to restrict such material from our airwaves + give us good decent programs to view. Things that will build up, not tear down.
