7. List purchase price and date purchased of the personal property you are appealing. If there is more than one item under appeal, attach the requested information on a separate page(s).
8. State law requires that you show by clear, cogent and convincing evidence that the value established by the Assessor is incorrect. In Box 8, you must list the reasons why you believe the assessed value is incorrect.
9. If you have designated another person to represent you, it is necessary for that person to have Power of Attorney (POA) – either by signing in this box, or by attaching a signed POA.

Documentary evidence may include photos, bills of lading (to prove property has been transferred to another location), purchase receipts, comparable property sales, etc.

**FILING DEADLINE**

**UNRESOLVED APPEALS**

**The Assessor sends revaluation notices each year.** A separate appeal must be filed each year in order to protect your appeal rights, as past or pending appeals should not be assumed to affect a subsequent year's valuation. ***It is important to keep in mind that information submitted in a previous year's appeal remains as part of the permanent record for that petition.*** If you feel the information is still pertinent to the current year's appeal, you may re-submit a copy of this data with your new appeal.
