Physical Activity Safety Tip #1

FUN IN THE SUN.

When you are swimming at the pool, lake, or ocean, know your limits. Remember, you will have to swim back and you can get tired before you know it.

Physical Activity Safety Tip #4

CHECK IT OUT.

Check out the conditions of the field or floor where you are playing and the surface you are riding on. If it's wet, slippery, bumpy, or has lots of traffic, find another day or place to play.
