Soil/growing medium within dripline of hawthorn ( <i>Crataegus</i> ), quince ( <i>Cydonia</i> ), apple ( <i>Malus</i> ), <i>Prunus</i> , pear ( <i>Pyrus</i> )	All of United States east of and including ND, SD, NE, KS, OK, TX, part of UT; Canada: east of and including MB	Plum curculio	Certificate required for soil, growing media and fruit

\*Shipper must notify Oregon Department of Agriculture (ODA) of shipment; Oregon receiver must hold shipment for Department inspection. For additional information contact: Oregon Department of Agriculture, Plant Division, 503/ 986-4644, fax 503/ 986-4786. Mail: 635 Capitol Street NE, Salem, Oregon, 97301-2532. <http://oregon.gov/ODA/PLANT/index.shtml>

\*\*Federal Quarantine

Rule 603-054-0027 requires the receiver of all out of state trees and shrubs to notify the ODA Plant Division of the shipment no more than two days after the shipment. The ODA may require the material to be held for inspection and release. For further information contact the ODA, Plant Division at 503/ 986-4644, fax 503/ 986-4786. Mail: 635 Capitol Street NE, Salem, Oregon, 97301-2532.

Oregon Labeling & Certification Law states that all nursery stock and other plant material shipped into or within Oregon must be accompanied by a nursery stock certificate and/ or the required permits or tags of the state of origin, and be free from injurious pests, diseases, and noxious weeds. Each unit (container, bundle, cargo box, etc.) must show that it contains nursery stock, seedlings, other plant material, or seeds, and must be conspicuously marked with the name and address of the shipper and consignee, and where the product was grown.
