

§ 550.1108

5 CFR Ch. I (1-1-01 Edition)

certification of a hearing official. If a hearing official determines that a debt may not be collected via salary offset, but the creditor agency finds that the debt is still valid, the creditor agency may still seek collection of the debt through other means, such as offset of other Federal payments, litigation, etc.

§ 550.1108 Requesting recovery through centralized administrative offset.

Under 31 U.S.C. 3716, creditor agencies must notify the Secretary of the Treasury of all debts that are delinquent as defined in the FCCS (over 180 days) so that recovery may be made by centralized administrative offset. This includes those debts the agency seeks to recover from the pay account of an employee of another agency via salary offset. The Secretary of the Treasury and other Federal disbursing officials will match payments, including Federal salary payments, against these debts. Where a match occurs, and all the requirements for offset have been met, the payments will be offset to collect the debt. Prior to offset of the pay account of an employee, an agency must comply with the requirements of 5 U.S.C. 5514, this subpart, and agency regulations issued thereunder. Specific procedures for notifying the Secretary of the Treasury of a debt for purposes of collection by centralized administrative offset are contained in 31 CFR part 285 and the FCCS. At its discretion, a creditor agency may notify the Secretary of the Treasury of debts that have been delinquent for 180 days or less, including debts the agency seeks to recover from the pay account of an employee via salary offset.

§ 550.1109 Requesting recovery when the current paying agency is not the creditor agency.

When possible, salary offset through the centralized administrative offset procedures in § 550.1108 should be attempted before applying the procedures in this section.

(a) *Responsibilities of creditor agency.* Upon completion of the procedures es-

tablished by the creditor agency under 5 U.S.C. 5514, the creditor agency must do the following:

(1) The creditor agency must certify, in writing, that the employee owes the debt, the amount and basis of the debt, the date on which payment(s) is due, the date the Government's right to collect the debt first accrued, and that the creditor agency's regulations implementing 5 U.S.C. 5514 have been approved by OPM.

(2) If the collection must be made in installments, the creditor agency also must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment, and if the creditor agency wishes, the number and the commencing date of the installments (if a date other than the next officially established pay period is required).

(3) Unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency, the creditor agency also must advise the paying agency of the action(s) taken under 5 U.S.C. 5514 and give the date(s) the action(s) was taken.

(4) Except as otherwise provided in this paragraph, the creditor agency must submit a debt claim containing the information specified in paragraphs (a) (1) through (3) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee's paying agency.

(5) If the employee is in the process of separating, the creditor agency must submit its debt claim to the employee's paying agency for collection as provided in § 550.1104(1). The paying agency must certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (c)(1) of this section. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have

been fully complied with. However, the creditor agency must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(6) If the employee is already separated and all payments due from his or her former paying agency have been paid, the creditor agency may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 *et seq.*), or other similar funds, be administratively offset to collect the debt. (See 31 U.S.C. 3716 and the FCCS.)

(b) *Responsibilities of paying agency—*

(1) *Complete claim.* When the paying agency receives a properly certified debt claim from a creditor agency, deductions should be scheduled to begin prospectively at the next officially established pay interval. The employee must receive written notice that the paying agency has received a certified debt claim from the creditor agency (including the amount) and written notice of the date deductions from salary will commence and of the amount of such deductions.

(2) *Incomplete claim.* When the paying agency receives an incomplete debt claim from a creditor agency, the paying agency must return the debt claim with a notice that procedures under 5 U.S.C. 5514 and this subpart must be provided and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

(3) *Review.* The paying agency is not required or authorized to review the merits of the determination with respect to the amount or validity of the debt certified by the creditor agency.

(c) *Employees who transfer from one paying agency to another.* (1) If, after the creditor agency has submitted the debt claim to the employee's paying agency, the employee transfers to a position served by a different paying agency before the debt is collected in full, the paying agency from which the employee separates must certify the total amount of the collection made on the debt. One copy of the certification must be furnished to the employee, another to the creditor agency along with

notice of the employee's transfer. However, the creditor agency must submit a properly certified claim to the new paying agency before collection can be resumed.

(2) When an employee transfers to another paying agency, the creditor agency need not repeat the due process procedures described by 5 U.S.C. 5514 and this subpart to resume the collection. However, the creditor agency is responsible for reviewing the debt upon receiving the former paying agency's notice of the employee's transfer to make sure the collection is resumed by the new paying agency.

§ 550.1110 Debt collection centers.

A debt collection center may act in behalf of a creditor agency to collect claims via salary offset consistent with this section, subject to any limitations on its authority established by the creditor agency it represents or by the U.S. Department of the Treasury.

(a) A debt collection center may be authorized to enter into a written agreement with the indebted employee regarding the repayment schedule or, in the absence of such agreement, to establish the terms of the repayment schedule.

(b) A debt collection center may make certifications to the Secretary of the Treasury under § 550.1108 or to a paying agency under § 550.1109 based on the certifications it has received from the creditor agency or a hearing official.

(c) A debt collection center responsible for collecting a particular debt may not act in behalf of a creditor agency for the purpose of making determinations regarding the existence or amount of that debt.

(d) A debt collection center responsible for collecting a particular debt may arrange for a hearing on the existence or amount of the debt or the repayment schedule by an administrative law judge or, alternatively, another hearing official not under the supervision or control of the head of the creditor agency or the debt collection center.
