Program Description

The Title I, Part D, Subpart 1, State Agency Neglected and Delinquent (N and D) program provides formula grants to SEAs for supplementary education services to help provide education continuity for children and youths in state-run institutions for juveniles and in adult correctional institutions so that these youths can make successful transitions to school or employment once they are released. Funds are allocated by formula to SEAs, which make subgrants to the state agencies responsible for educating N and D children and youths. To be eligible for state N and D funds, juvenile institutions must provide 20 hours a week of instruction from nonfederal funds; adult correctional institutions must provide 15 hours.

The Subpart 2 Local Education Agency Program requires each SEA to reserve from its Title I, Part A, allocation, funds generated by the number of children in locally operated institutions for delinquent youths. Subgrants are awarded to LEAs with high numbers or percentages of youths in local correctional facilities to support dropout programs for at-risk youths in these facilities and the LEAs' schools.
