

AFIX EXAMPLES: DATA COLLECTION AND ANALYSIS

<u>INDICATOR</u>	<u>TARGET(S)</u>	<u>DATA SOURCE(S)</u>	<u>DATA COLLECTION</u>	<u>ANALYSIS</u>
Evaluation Question: During 2007, did practices implement recommendations by the proposed date as outlined in the QI plan?				
<ul style="list-style-type: none"> • Percent of practices that implemented one or more recommendations by the proposed date • Recommendations that are most and least likely to be implemented by the proposed date • Percent of AFIX field staff who feel they are able to adequately assist providers • Percent of provider office managers/contacts who feel they have the ability to implement recommendations 	<ul style="list-style-type: none"> • 50% of non-critical recommendations are implemented by the proposed date • 100% of Important/Critical recommendations are implemented by the proposed date • 100% of AFIX field staff will feel they are capable of assisting practices with implementing recommendations on time 	<ul style="list-style-type: none"> • Practice office manager/staff • AFIX field staff • Site visit notes/records • QI plans 	<p>Method:</p> <ul style="list-style-type: none"> • Review site visit notes/QI plans • Survey AFIX field staff to identify their perspective on barriers and facilitators to implementation and their perceived ability to assist providers • Survey provider practice staff to identify which recommendations were implemented on time and identify barriers and facilitators to implementation and their perceived ability to implement changes <p>Timeline: Once a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>	<p>Method:</p> <ul style="list-style-type: none"> • Frequency analysis • Qualitative content analysis <p>Timeline: Once a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>

AFIX EXAMPLES: DATA COLLECTION AND ANALYSIS

<u>INDICATOR</u>	<u>TARGET(S)</u>	<u>DATA SOURCE(S)</u>	<u>DATA COLLECTION</u>	<u>ANALYSIS</u>
Evaluation Question: During feedback sessions in 2007, did all physician practices receive a quality improvement (QI) plan containing all four key items? (1. Opportunity for improvement on which to focus 2. Define action steps for implementing the intervention 3. Responsible party for implementation 4. Date to implement intervention)				
<ul style="list-style-type: none"> • Percent of practices that received a QI plan following an AFIX visit during 2007 • Percent of QI plans that included all four key items 	<ul style="list-style-type: none"> • 100% of practices received a QI plan following an AFIX visit during 2007 • 100% of QI plans contained all four key items 	<ul style="list-style-type: none"> • AFIX field staff • Site visit notes/records 	<p>Method:</p> <ul style="list-style-type: none"> • Review site visit notes or records • Survey field staff <p>Timeline: Twice a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>	<p>Method: Frequency analysis</p> <p>Timeline: Twice a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>
Evaluation Question: Do AFIX field staff know how to write a QI plan?				
<ul style="list-style-type: none"> • Percent of AFIX field staff trained on how to write QI plan (including the four key items) • Percent of AFIX field staff who feel they have adequate training to write a QI plan • Percent of QI plans that include all four key items 	<ul style="list-style-type: none"> • 100% of AFIX field staff received training on QI plans before conducting AFIX visits • 100% of AFIX field feel confident about their ability to write a QI plan • 100% of QI plans contain all four key items 	<ul style="list-style-type: none"> • Staff training records • QI Plans • AFIX field staff 	<p>Method:</p> <ul style="list-style-type: none"> • Review staff training records • Review a sample of QI plans for each AFIX field staff • Survey AFIX field staff <p>Timeline: Twice a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>	<p>Method: Frequency analysis</p> <p>Timeline: Twice a year</p> <p>Person Responsible: State HD AFIX Coordinator</p>
