# Dry Forest II: Applying New Knowledge to Manage Fuels and Habitats in Eastside Forests

**A workshop on May 1-3, 2007  
at the Red Lion Hotel, Wenatchee, WA**

**Sponsored by:**  
**Okanogan & Wenatchee National Forests (OWNF)**

**US Fish and Wildlife Service (USFWS)**

**USFS PNW Research Station  
Wenatchee Forestry Sciences Lab (PNW)**

**Objectives:**  
**Present new knowledge and experience  
gained through the management of dry  
forests since the 2001 Dry Forest I workshop**

**Discuss application of this information to the  
development of treatment options**

**Adapt / modify management strategies and approaches**

# Preliminary Agenda

## May 1

Time	Topic	Speaker(s)
0815-0820	Welcome/housekeeping	Bill Gaines
0820-0830	Kick-off (retrospective to Dry Forest I)	Karen Mollander, OWNF Deputy Supervisor
0830-0900	Keynote (topic TBD)	Jim Agee
0900-1000	Perspectives Panel: "How are we doing?"	State – Richard Bigley
		Conservation NW – Jen Watkins
		TNC – Betsy Bloomfield
		Timber – Phil Aune
		Tribal – Lee Carlson
Break		
1020-1030	Dry Forest Science Review Intro: "What have we learned from implementing the dry forest strategy?"	Richy Harrod
1030-1100	Soils	Darlene Zabowski
1100-1130	Fuels	Jim Agee
1130-1200	Aquatics	Charlie Luce / Matt Dare
Lunch		
1330-1400	Understory	Richy Harrod
1400-1430	Trees	Dave W. Peterson
1430-1500	Entomology & Pathology	Paul Hessburg
Break		
1530-1600	Small mammals	John Lehmkuhl
1600-1630	Birds	Bill Gaines
1630-1650	Overview of day	Jim Agee
1650-1700	Announcements and adjourn	John Lehmkuhl

## May 2

Time	Topic	Speaker(s)
0815-0820	Welcome/housekeeping	Karl Halupka
0820-0830	Spotted owls and fire – "How can we simultaneously manage fuels and spotted owls?"	USFWS TBD
0830-0900	Spotted owl demography – eastern WA focus	Eric Forsman
0900-0930	Barred owls	Peter Singleton
0930-1000	Implications of mixed- severity fire ecology for forest management	Paul Hessburg
Break		
1030-1200	Prescription development panel	
	- spotted owls	Jim Thrailkill
	- prey base	John Lehmkuhl
	- fuels / silviculture	John Agar
	Moderator	Jodi Leingang
Lunch		
1330-1400	Landscape prioritization for fuels treatments	Alan Ager
1400-1415	Forest Planning (LSRA)	Bill Gaines
1415-1445	Adaptive management and monitoring	Lenny Young
Break		
1500-1630	OWNF adaptive management group discussion – recommendations	Bill Gaines et al.
1630-1710	Prospectus: Where do we go from here?	Perspectives Panel
1710-1715	Announcements and adjourn
