Outline

Financing of Drug Treatment Services

Health Insurance

Payment Mechanisms

Alternative Delivery Systems and Managed Care

Cost-Benefit, Cost-Effectiveness and Cost-Utility Analysis

Cost of Drug Treatment

Methodological Research

Habit, Addiction, Consumption, and Demand for Illegal Drugs

Drug Policy

FINANCING OF DRUG TREATMENT SERVICES

Cartwright, W. S. & Solano, P. L. (2003). The economics of public health: financing drug abuse treatment services. *Health Policy*, 66, 247-260.

Cowell, A., McCarty, D., & Cowell, A. (2003). Impact of federal Substance Abuse Block Grants on state substance abuse spending: literature and data review. *J Ment Health Policy Econ*, 6, 173-179.

Culhane, D. P., Hadley, T. R., & Lutterman, T. C. (1992). Who is paying for public substance abuse programs? Trends and inter-state variability in the revenues of state drug and alcohol abuse agencies, from 1985 to 1989. *Journal of Drug Issues*, 22 (4), 939-947.

Frank, R. G., & Kamlet, M. S. (1985). Direct costs and expenditures for mental health care in the United States in 1980. *Hospital and Community Psychiatry*, 36, 165-168.
