“COUNTING ON YOU” (15-seconds)

(Music playing in background)

FEMALE VOICE:

If you're the parent of an 11 or 12 year old, you need to know about pre-teen vaccines. Vaccines that can protect your pre-teen from meningitis, whooping cough, and for girls, the virus that causes cervical cancer.

So schedule a check up for your child today.

MALE ANNOUNCER:

For more information, call 800-CDC-INFO.
Brought to you by DHHS and the CDC.
