# **Instructions for Form 65**

### **Oregon Partnership Return of Income**

# Which partnerships must file an Oregon partnership return?

- Every partnership having income derived from or connected with sources in Oregon.
- Every partnership having one or more Oregon resident partners.

# What must be attached to the Oregon partnership return?

Attach information in the following order:

- A copy of federal Form 1065, U.S. Partnership Return of Income, or Form 1065-B, U.S. Return of Income for Electing Large Partnerships. Include all pages and supporting schedules (for example, Schedule M-3).
- Schedule AP, Apportionment of Income, (form 150-102-171) if you answered yes to questions 5A and 5B on Form 65.
- An Oregon Depreciation Schedule (form 150-101-025), if Oregon depreciation differs from federal depreciation.
- If this is the final partnership return, a schedule showing to whom all assets and liabilities were distributed, and each asset's adjusted basis and fair market value, sales price, or if distributed, to which partners.
- Federal Schedule K-1s, if less than 11 partners during the year. If you answered yes to questions 2A or 2B on Form 65, or you had more than 10 partners at any time during the year, attach a summary of partner information. If there are more than 50 partners, you may attach a statement that the K-1s are available upon request.
- Form 24, Oregon Like-Kind Exchanges/Involuntary Conversions if you had a 1031 exchange investing in out of state property.

**Form 8886/REIT/RIC.** Oregon now has a mandatory reporting requirement for participation in listed or reportable transactions. If you are required to report listed or reportable transactions to the IRS on Form 8886, you must check the "Form 8886/REIT/RIC" box. Retain the form with your Oregon tax records. Do not attach a copy of the form to your Oregon return. You must also check the box if you participated in a real estate invested trust (REIT) or regulated investment company (RIC) as defined in Senate Bill 39 of the 2007 Oregon Legislature.

# Filing deadlines

Returns for the 2007 calendar year are due by April 15, 2008. Fiscal year returns are due by the 15th day of the fourth month after the end of the partnership's tax year.

#### **Connection to federal law**

Oregon is tied to the federal definition of taxable income. Oregon will automatically adopt future federal changes to taxable income. The partnership's tax year for Oregon must be the same as for federal. Oregon doesn't have a required payment for partnerships choosing an alternative tax year.

Oregon recognizes the federal "check the box" regulations for unincorporated organizations. Also, Oregon treats the electing large partnership the same as federal.

## Partnership failure-to-file penalty

A penalty may be assessed if a partnership doesn't file a return or fails to provide information to the Department of Revenue as required by law. The penalty is \$50 per month per partner for each month the return is late or incomplete, up to a maximum of five months. Each partner is personally liable for a portion of the penalty.

### Individual income tax returns

A partnership generally is not subject to tax, but each partner's distributive share of net income (or loss) and separately stated items must be reported on that partner's individual income tax return.

Partners report their share of Oregon modifications on their Oregon Forms 40, 40N, or 40P. Increases to income go on the "Other additions" line of the Oregon individual return. Decreases to income go on the "Other subtractions" line. Label the line "OPM" (Oregon Partnership Modifications).

Nonresident partners can choose to file an individual nonresident return, Form 40N, or join together to file an Oregon composite tax return, Form OC. The Oregon individual income tax booklet lists filing requirements for partners' individual income tax returns. Visit our website to download tax forms and instructions, or to order, see page 2.

Oregon has new Oregon partnership withholding requirements for partners. See page 2.

#### **Guaranteed payments**

1

Guaranteed payments are treated as distributive shares of partnership income. For nonresident partners income attributable to Oregon sources is determined by applying the allocation and apportionment provisions to each nonresident's entire distributive share including guaranteed payments.

# Oregon modifications to federal partnership income

Complete Schedule I (on the back of Form 65) to figure Oregon modifications to federal partnership income. Attach schedules if necessary to explain and compute the modifications.

Generally, each partner's share of modifications is figured by using the profit sharing percentage shown on that partner's federal Schedule K-1. Each partner's share of the Oregon modifications must be reported on the partner's Schedule K-1 or equivalent.

Gain on voluntary and involuntary conversions. Oregon allows partnerships to elect for their partners to defer the gain on voluntary and involuntary conversions the same as for federal purposes.

Partnerships must make the election for all consenting partners. Attach Form 24, *Oregon Like-kind Exchanges/Involuntary Conversion*, 150-800-734, to your Oregon Partnership Return, Form 65 and check the box on the front of Form 65.

#### **Credits**

Partners may qualify for the following tax credits on their individual income tax returns even though the costs were paid by the partnership.

- Advanced telecommunications facilities.
- Business energy.
- Child care fund contribution.
- Crop donation.
- Diesel engine replacement.
- Dependent care assistance.
- Electronic commerce zone investment.
- Employer scholarship.
- Farmworker housing.
- Film production development contribution.
- First Break Program.
- Fish screening devices.
- Individual Development Accounts.
- Long-term care insurance premiums.
- On-farm processing machinery and equipment.
- Oregon Cultural Trust.
- Political contributions.
- Pollution control facilities.
- Reforestation of underproductive forestlands.
- Reservation enterprise zone.

#### Extension to time to file

If you filed a federal extension, Oregon will allow the same extension. You will need to file an Oregon only extension, on Form 40-EXT, if you need an extension for Oregon only. The maximum penalty imposed is \$50 per partner per month for a maximum of five months. Extensions must be filed by the due date of the return.

# TriMet and Lane Transit District self-employment taxes

Self-employment earnings of taxpayers doing business or providing services within the TriMet and/or Lane Transit districts are subject to these taxes. A partnership may elect to file and pay the transit district self-employment tax on behalf of any or all the individual partners. Use the partnership's net self-employment earnings (including partners' guaranteed payments) to figure the tax.

Any 2007 TriMet or Lane Transit District self-employment tax return (Form TM or Form LTD) filed by a calendar year partnership is due by April 15, 2008. Fiscal year partnerships must file Form TM or Form LTD by April 15 of the year following the calendar year in which the fiscal year ends.

# **Federal Privacy Act information**

The request for Social Security numbers is made by authority of Section 405, Title 42, of the United States Code. You are required to give us this information. It is used to establish the identity of the partners. Unless allowed by law, all information in your tax return is confidential and cannot be disclosed by the department. Any violation is a class C felony.

# Withholding requirement for partnerships

For tax years beginning on or after January 1, 2006, a partnership with one or more nonresident partners that have no other Oregon source income is required to withhold tax unless the partner makes an election to join in the filing of a composite return or sends the department a signed Oregon affidavit for a nonresident owner in a pass-through entity. The partnership must withhold 9 percent of the partners' share of distributive income for partners who will file personal income tax returns, 6.6 percent for partners that are corporations. The partnership must send quarterly payments by the quarterly due dates for estimated tax payments, on Form 40-ESV, for each partner who will file a personal income tax return, or on Form 20-V for partners who will file corporate returns. Each payment voucher must include the partner's name and identification number. The due date for the annual payment is the date which the pass-through entity is required to issue a federal Schedule K-1 to its owners. For additional information or to download forms, visit our website, or see taxpayer assistance below.
