1998	61,648,597	57,085,189	92.60%	2,747,266	59,832,455	97.05%

Taxes are levied and collected by the County Treasurer and distributed to all taxing jurisdictions. The tax rate is requested by the City Council and set by the Department of Finance and Administration of the State. The State allows the rate to be set at 5% in excess of requirements to allow for delinquencies.

Cumulative total collections for the last ten years are 99.47% of the cumulative levies.
