A free program with something for everyone!

Join your colleagues for a fresh look at the latest trends and tools in workforce planning. Private and public sector speakers will take an in-depth look at:

- o Talent mining and techniques to use current staff at full potential and to identify up and coming top performers

- o Mentoring internally and externally to build teams you need to get projects done now and in the future

- o Management techniques from the public and private sectors on using succession planning and knowledge management to leverage the know-how and expertise within your agency.
