# Wood Products: International Trade and Foreign Markets

## Annual Statistical Trade Edition

### U.S. Exports of Treated Lumber Set New Record

- U U.S. treated lumber exports exceeded \$55 million in 1999.
- U U.S. treated lumber exports to the Caribbean nearly doubled between 1995 and 1999 and now account for more than 80 percent of U.S. treated lumber exports.
- U Exports to the Caribbean have increased due to hurricane reconstruction and a growing tourism industry.
