

CONTINUING EDUCATION CLASSES BEING OFFERED STATEWIDE

(Updated November 14, 2007)

The following is a list of web sites and contact information to assist you in obtaining your continuing education for your EMT recertification. Most Oregon EMS agencies will allow unaffiliated EMTs to take the continuing education classes with their EMTs.

List of Oregon Ambulance Agencies

Please contact local ambulance services and inquire about upcoming continuing education classes being offered that you could attend.

Web site: http://egov.oregon.gov/DHS/ph/ems/site_map.shtml under Prehospital Standards Unit, Amb Provider List is a list of ambulance services in Oregon.

List of Oregon EMT Schools

Please contact the EMT accredited schools in Oregon to see if they will be offering refresher courses and continuing education classes.

Web Site: <http://egov.oregon.gov/DHS/ph/ems/certific/school.shtml>

List of Oregon Fire Departments

Please contact the training officer at the fire departments and inquire about upcoming continuing education classes being offered that you could attend.

Web site: www.oregon.gov/OOHS/SFM/Oregon_FD_Websites.shtml

List of Oregon Hospitals

Please contact the hospitals for health care provider courses you can attend. Many offer: continuing ed. classes, CPR, ACLS, PALS, case reviews and grand rounds.

ONLINE CONTINUING EDUCATION

The EMS office endorses CECBEMS or National Registry approved on-line continuing education. These courses have been approved by a medical director, requires a test for the EMT to take, and provides a certificate if the EMT successfully passes the test.

Continuing Education Coordinating Board Of Emergency Medical Services (CECBEMS)

CECBEMS offers a variety of courses on-line that are both approved for National Registry certification and for Oregon.

Web site address is: www.cecbems.org

Pediatric Resuscitation and AED Resource

EMSC National website dedicated to promote the appropriate use of AEDs for Pediatric Resuscitation.
