Watershed and Aquatic Habitat Effectiveness Monitoring Workshop

April 18 & 19, 2006
LaSells Stewart Center
Corvallis, Oregon

Independent Multidisciplinary Science Team (IMST)
and
Oregon Watershed Enhancement Board (OWEB)
Joint Sponsors

The goal of the IMST/OWEB Effectiveness Monitoring Workshop is to create an opportunity for the exchange of ideas about effectiveness monitoring of restoration efforts, by a diverse group that includes scientists, local watershed representatives, and resource specialists.

Poster Information: Poster topics should be relevant to workshop goals and relate to the effectiveness monitoring of watershed level restoration objectives that are identified in the Oregon Plan for Salmon and Watersheds. Size of posters is limited to 3' x 4'.

Please send an abstract by March 27th to:
