Limitations on Pesticide Products Containing Clopyralid

(1) Any application or use of a pesticide product known to contain the active ingredient clopyralid to a location other than an agricultural, forest, right-of way, golf course or cemetery site is prohibited.

(2) For the application or use of a pesticide product containing clopyralid on a site allowed under (1) above, all applicable label instructions must be followed. Providing grass clippings or other materials from a treated site for use in compost is prohibited.

(3) Pesticide products known to contain the active ingredient clopyralid and having product labeling which authorizes application or use on an agricultural, forest, right-of way, golf course or cemetery site, or on any other site, may be registered and distributed during 2003. For 2004 and subsequent years, a pesticide product known to contain the active ingredient clopyralid must satisfy one of the following requirements in order to be registered:

(a) The label must specify that the product may only be used on sites allowed by (1) above; or

(b) The label must clearly and prominently display the following statement: "Use of this product in Oregon is limited to the sites stated on this label which are agricultural, forest, right-of-way, golf course or cemetery sites."

(4) Failure to comply with sections (1), (2), or (3) above may result in one or more of the following actions:

(a) Revocation, suspension or refusal to issue or renew the license or certification of an applicant, licensee or certificate holder in accordance with ORS 634.322(4);

(b) Imposition of a civil penalty, in accordance with ORS 634.900;

(c) Any other enforcement action authorized under ORS 634.
