

Appendix L

Avian Influenza Surveillance Agreement

I agree to participate in Oregon's H5/H7 LPAI surveillance plan for commercial poultry producers and, in cooperation with my veterinarian, agree to abide by the statements A through E listed below.

- A. The birds in question are under the care of a licensed veterinarian specializing in poultry medicine and are maintained with adequate biosecurity as outlined in Appendix A of the Oregon AI Surveillance and Response Plan.
- B. There are adequate communications, farm visits and records for the veterinarian to effectively evaluate the health of the flock.
- C. The flock owner and veterinarian shall immediately report to the State Veterinarian a disease condition that is consistent with Avian Influenza.
- D. Appropriate samples must be submitted to OSU-VDL for AI testing in the event of elevated mortality.
- E. Active surveillance shall be carried out in the flock according to NPIP protocol.
