### **WORK HISTORY INSTRUCTIONS**

The information you provide in the "Work History" section will be used to evaluate whether you meet the minimum qualifications listed in the "To Qualify" section of the recruitment announcement. Starting with your **current or most recent job**, list all your jobs (paid or volunteer) for the last ten years. You may wish to include qualifying experience gained more than 10 years ago, if it helps you qualify for the job.

- Critical: If you held more than one position within the same company, list each position as a separate job in the "Work History" section. Provide your duties as well as beginning and ending dates and hours worked per week for each position.
- Critical: Clearly describe all your duties. If your description of work in the "Work History" section is too brief and/or insufficient to determine if you meet the qualifications for the job, your application may not be accepted.
- Critical: Credit for work that is less than full-time is pro-rated based on a 40-hour week. If you worked more than 40 hours a week, you will be given credit for 40 hours.

- 4. **Critical:** If your hours vary, indicate the average number of hours worked per week. Do not give a range of time such as. "20-30 hours" or "varies." No credit will be given for jobs when hours worked are not specific.
- Critical: If qualifying duties were not the main focus of the job, provide the percentage of time you spent doing the duties that qualify you for the recruitment. (See the "To Qualify" section of the recruitment announcement)
- 6. **Examples:** Bookkeeping 4 hours out of a 40 hour week = 10%; or 5 hours out of a 20 hour week = 25%.
- 7. **Critical:** To receive credit for experience mentioned in any test answers, the experience must be listed in the "Work History" section of your application.

# A RESUME OR POSITION DESCRIPTION WILL NOT SUBSTITUTE FOR COMPLETION OF THE WORK HISTORY SECTION.

**Complete each box** - If you do not provide all the information in the "Work History" section, no credit will be given for that job.

**NOTE:** When no credit is given for a job, test scores may also be affected.
