

This information is for any member of your household who has **both** Medicare and Medicaid (Oregon Health Plan) coverage.

Your current OMAP Medical Plan, Mid-Rogue IPA (MRIPA), is contracting with Medicare to also become a Medicare Advantage Plan called CareSource. If you enroll in CareSource it will **not** change your health care coverage, it will just change who pays (Medicaid or Medicare) for some of your covered services.

You Have a Choice

- If you want to enroll in CareSource:
 - ✓ Fill out the *Medicare Advantage Plan Election form* enclosed with this announcement. Write CareSource as the name of the Medicare Advantage Plan you are choosing.
 - ✓ Sign and mail the form, using the envelope we've included, **by July 15, 2005**.

CareSource will send you information about itself and tell you when your membership begins.

Being enrolled in both Mid-Rogue IPA (MRIPA) and CareSource will make it easier to coordinate your health care and make sure you receive all of the services covered by Medicare **and** the Oregon Health Plan.

- If you do not complete and return the *Medicare Advantage Election Form* you will not be enrolled in CareSource. **However, Mid-Rogue IPA (MRIPA) may decide not to provide Oregon Health Plan (OHP) medical coverage for you anymore.**

If Mid-Rogue IPA (MRIPA) does not provide your OHP medical coverage, the Office of Medical Assistance Programs will help you enroll in a new OMAP Medical Plan or pay for all of your other covered health services on a fee-for-service basis, by having you go to any provider who will take your OMAP Medical Care ID.
