Medical Transportation Benefits

As an Oregon Health Plan (OHP) client with the OHP **Plus** Benefit Package you can get a ride to a medical appointment if you have no other way to get there. The ride is free and drivers may not ask for tips.

You can request a ride to a medical appointment by calling **Cascades West Ride Line** at **(541) 924-8738** or **1-866-724-2975**, 24 hours-a-day, seven days a week.

We will ask you questions to see what other transportation you may already have, the kind of transportation you need, and where you need to go.

Advance Notice

The more notice you give us, the more likely we can give you a ride. It is important that you call for a ride as soon as you know you need one. **We may not be able to give you a ride on very short notice.** If you call and request a ride the same day as your appointment, we may have trouble setting up a ride for you. We may ask you to change your appointment.

Canceling Rides

If you have asked for a ride and need to cancel it, please call **Ride Line** at **(541) 924-8738** or **1-866-724-2975**. Do this as soon as you know that you do not need the ride.

No-Show/Driver Tips

If you have asked for a ride and are not there when the ride arrives, the ride provider cannot charge you for your missed ride. However, the ride provider may not want to give you any future rides. Drivers are not allowed to ask for tips.

After Business Hours

If you have an emergency, call 911. The Ride Line does not provide emergency transportation.

If you call **Ride Line** after business hours, you will hear a recorded message telling you what to do to get a ride to your medical appointment. Follow the recorded instructions for arranging a ride.
