Dear Mr. Chairman:

Enclosed are the lists and charts requested in your second set of requests in your letter dated June 5, 2007, to Secretary Gutierrez. These documents are numbered DOC-E-00001 to 00033.

We are continuing to search for documents responsive to your requests, and will provide them as soon as possible on a rolling basis. However, in order to conduct a thorough search for responsive documents, it appears unlikely that we will be able to meet the requested deadline. We look forward to working with you and your staff to provide the requested documents as expeditiously as possible and ensure the Department of Commerce responds to your request in a thorough and timely manner.

Please do not hesitate to contact me directly or Alicemary Leach at (202) 482-3663 if you have further questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "N. Wienecke", with a long horizontal flourish extending to the right.
