Dear Chairman Majoras:

The Subcommittee on Oversight and Investigations of the Committee on Energy and Commerce is investigating the issue of gasoline pricing. We understand from Commission staff that the Federal Trade Commission staff monitors the oil and gasoline markets closely. As part of that monitoring, the staff prepares weekly pricing reports analyzing the gasoline markets.

To aid our investigation of gasoline pricing, please provide copies of all such reports from January 1, 2007, to the present. We would appreciate your prompt response to this request so that we may review this information prior to the hearing on this issue scheduled for May 22, 2007.

Should you have any questions with respect to this request, please contact me or have your staff contact John Arlington, Senior Investigative Counsel with the Committee on Energy and Commerce, at (202) 226-2424.

Thank you for your cooperation in this inquiry.

Sincerely,

John D. Dingell
Chairman
