RULE SUMMARY

The Department of Human Services, Public Health Division is proposing to adopt, amend, and edit Oregon Administrative Rules relating to Radiation Protection Services to meet Title 10 Code of Federal Regulations Parts 20, 32, 69, 71, as well as amend Table 1 of 333-106-0045. In addition, increases in licensee and registration fees outlined in division 103 are being made, as approved by HB 2193, passed in the 2007 Legislative Session.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
