RULE SUMMARY

The Department of Human Services, Public Health Division is proposing to permanently amend OAR 333-675-0050 and Table 1 to increase construction project review fees for health care projects reviewed by the Facilities Planning & Safety Program. In addition, an amendment of the rule text updates an obsolete reference to a building cost guideline chart.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
