Certificate of Need Update

The Certificate of Need process is the state's only regulatory mechanism aimed at controlling the development of new health care facilities and services. The purpose of the law is to see that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.

For information concerning the Certificate of Need program, contact Jana Fussell, Certificate of Need Coordinator, Department of Human Services, 800 NE Oregon Street Suite 930, Portland, OR 97232. Telephone: (971) 673-1108.
