

Steven "Caleb" Renno

Beloved son of Catherine Renno and Bruce LeMay, Caleb is loved by all whose lives he touched. He is a seeker of truth who understands the interconnectedness and sacredness of

all things. A quote from one of Caleb's favorite artists reveals his guiding principle: "When the power of Love overcomes the love of power, there will be Peace in the world."

Caleb walks the path of a peaceful warrior with intent. He is a warrior in the highest sense of that word – fearless when needed and always a defender of the women and children. He died while protecting the community with a crew of men he called his brothers.

Caleb's family loves and cherishes him and will never be the same without him. Death, while separating us in the physical, has only made our love stronger. He will be loved and missed until we meet again.
