# 2003 OREGON FIRE SERVICE RESOURCE DIRECTORY

This publication contains information about the resources and activities of Oregon's fire protection agencies. This data was compiled from the 2002 Fire Service Resource Inventory reports that were submitted by fire chiefs. While this directory is published primarily as a service to fire protection agencies, we hope it will be a useful resource document for any agency or individual who needs detailed information on Oregon's fire service.

To reduce printing costs, the 2003 Oregon Fire Service Resource Directory was created for electronic distribution. PDF format is available on our web site at [www.sfm.state.or.us](http://www.sfm.state.or.us). Contact Data Services at [OSFM.Data@state.or.us](mailto:OSFM.Data@state.or.us) for MS Excel formatted sections of the directory.

NOTE: This information is based on reports received by March 29, 2003.
