

## Idle Elimination Manufacturers Association

Renewed energy to  
eliminate engine idling  
through technology

---

## **Idle Elimination Manufacturers Association**

# **Mission Statement**

IEMA is a non-profit organization promoting the benefits of idle elimination technologies to reduce idling of trucks and other commercial vehicles...

IEMA will promote and encourage the use of idle elimination products through awareness and incentive programs, and educate the industry and public at large.

**STOP IDLING**
