

# **Conference Logistics and Acknowledgments**

**Terry Levinson**

*National Idling Reduction Planning Conference  
Albany, NY  
May 17-19, 2004*

**Center for Transportation Research  
Argonne National Laboratory**

*A U.S. Department of Energy Laboratory  
Operated by The University of Chicago*

# ***Housekeeping and Useful Information***

---

- **Please turn off all noisemakers (cell phones, pagers, watches)**
- **Federal and NYSERDA staff are here to answer your technical questions**
- **Sophia Kitts will handle your non-technical needs**
- **Bios of each speaker will be posted to the conference website**

# ***Topics for Discussion in the Roundtables***

---

- **Technology Issues**
- **Financial Incentives and Issues**
- **Regulatory and Institutional Issues**

# ***How Tuesday's Roundtables Work***

---

- **Three roundtables**
- **One roundtable per session**
- **Facilitator and notetaker in each roundtable**
- **Parallel roundtables in each session**
- **Thought-provoking questions**

**All discussions during the roundtable are off the record and not for attribution**

# ***What Happens on Wednesday Morning?***

---

- **Roundtable reports**
- **Plenary discussion**
- **Next steps**
- **Call for working group members**

# ***Next Steps After the Conference***

---

- **A planning conference needs to have a plan**
- **A plan needs working groups to write it**
- **The working groups have to come from all transportation modes and represent all stakeholders**
- **The plan will be written over the next 6 months and presented to the stakeholders for adoption**
