The Wild Ones— Natural Landscapers

This non-profit organization has "a mission to educate and share information with members and communities at the 'plant-roots' level and to promote biodiversity and environmentally sound practices." Wild Ones has a diverse membership "interested in landscaping using native species in developing plant communities."

The Wild Ones website (www.for-wild.org) has a section called "Hot Links for Native Plant Landscaping" with dozens of useful links.

The Oakland County chapter meets on the first Wednesday of each month, at 7:00 p.m., at the Old Oakland Township Hall, Rochester. Contact Maryann Whitman at 248-652-4004 (E-mail: ecothink@comcast.net).

There are numerous organizations, publications and other resources that you can turn to if you have questions about your native plant garden.
