IN THE MATTER OF

MISSISSIPPI DEPT. OF ECONOMIC
AND COMMUNITY DEVELOPMENT,
Complainant

v.

U.S. DEPARTMENT OF LABOR,
Respondent

CASE No.: 90-JTP-32

ORDER GRANTING EXTENSION

On October 26, 1990, the Attorney for the Mississippi Department of Economic and Community Development (hereinafter Complainant) filed with this office a Motion for Extension of Time in which to file a Prehearing Exchange. Complainant bases its Motion on three grounds. First, Complainant claims that additional time is required to allow for settlement discussions and development of additional documentation which will affect the amount of the claim. Second, Complainant asserts this claim is made in good faith and not for purposes of delay. Third, Complainant claims no prejudice to either party will occur if the Motion is granted. Additionally, Complainant states that the Department of Labor has no objection to an extension of time in which to file a Prehearing Exchange.

The record before this office indicates that both parties are in agreement that an extension of time in which to respond to the Prehearing Order be established at ninety (90) days from the date of this Order. For good cause shown, the request for an extension of time is hereby **GRANTED**. Both parties are hereby **ORDERED** to comply with the requirements of the Prehearing Order within ninety (90) days from the date of this Order.
