SUBJECT:

Tribal Colleges Endowment Program Funds for Fiscal Year (FY) 2006

Attached is a copy of the CSREES-OD-1088 (H), Distribution of the Tribal Colleges Endowment Program Funds for FY 2006, which is provided to your office pursuant to the provisions of Public Law No. 103-382, Improving America's Schools Act of 1994. Specifically, the Act states that "On termination of each fiscal year, the Secretary shall withdraw the amount of income from the endowment fund, distribute the adjusted income...on a pro rata basis." The specified pro rata basis allows for 60 percent based on the Indian student count for each institution with the remaining 40 percent distributed in equal share to the institutions. The amount of endowment interest earned during FY 2004 for distribution to the 1994 Land-Grant Institutions is \$2,474,263. Your next authorization letter under the Department of Health and Human Services' Payment Management System will include your share of these funds.

The legislation designates that the interest from the endowment fund benefit the 1994 Land-Grant Institutions by supporting teaching programs in the food and agricultural sciences in the targeted areas of (1) curricula design and instructional materials development, (2) faculty development and preparation for teaching, (3) instruction delivery systems, (4) student experiential learning, (5) equipment and instrumentation for teaching, and (6) student recruitment and retention.

Endowment funds released on or after October 1, 2001, also may be used for facility renovation, repair, construction, and maintenance to support teaching programs in the food and agriculture sciences in addition to the above six areas. For clarification, please note that the endowment funds that are listed in this announcement and any succeeding announcements may be used for new construction. However, any endowment funds released prior to October 1, 2001, may not be used for new construction.

Institutions that choose to use their Endowment Funds for new construction should submit their plans to Dr. P.S. Benepal (CSREES/Multicultural Alliances, STOP 2250, 1400 Independence Ave., SW, Washington, DC 20250-2250) for approval. Institutions that list plans for new construction in their Planning Document will be sent specific guidelines.

As part of its oversight and accountability responsibilities, CSREES requires the following:

- 1. Planning Document on how endowment funds will be used. (Instructions are encouraged to engage in long-range planning and the sharing of ideas within the Tribal College Community.)
- 2. Annual Technical/Progress Report
- 3. Annual Financial Status Report

See attached guidelines to assist you in submitting each of the above requirements.

Failure to submit the plan of work and the required reports may result in your funds being withheld.

Questions regarding required documentation and funding should be addressed accordingly:
