SUBJECT: 2000 Crop Year Additional Price Election for Durum Wheat in Montana,
North Dakota, and South Dakota

In accordance with the Common Crop Insurance Policy Basic Provisions, Section 3(e), the Risk Management Agency (RMA) today announced an additional price election for 2000 crop year durum wheat in the Montana, North Dakota, and South Dakota. The additional price election for the crop year and associated prices are as follows:

	Additional Price Election	Established Price	CAT Price
Durum Wheat in Montana, North Dakota, and South Dakota	\$3.40	\$3.15	\$1.87

The additional price election is available to all producers of durum wheat in Montana, North Dakota, and South Dakota. When the additional price election is higher than the established price election, producers originally electing the established price may be impacted by changes to subsidy and administrative fees. Exclusion of hail and fire provisions also may be affected. Price election choices must be made on or before the sales closing date for the crop in a county.
