**DECISION AND ORDER DISMISSING COMPLAINT**

This is one of two cases arising from a complaint filed by Robert Paisola, Complainant, against the Respondents, Whitney Education Group and Whitney Information Network, Inc., alleging a violation of Section 806 of the Corporate And Criminal Fraud Accountability Act of 2002, Title VIII of the Sarbanes-Oxley Act of 2002, 18 U.S.C. § 1514A.

I dismissed OALJ case number 2006-SOX-00031 in a Decision and Order issued on January 13, 2006, after receiving a Notice of Voluntary Dismissal with Prejudice signed by the Complainant withdrawing his complaint and asking for a voluntary dismissal of this matter with prejudice as the result of a settlement reached between the parties. In that Decision and Order, I neglected to include OALJ case number 2006-SOX-00032. The request for a voluntary dismissal incorporated both cases. In view of the resolution of this matter by the parties, the

Complainant's request to withdraw his request for a hearing is GRANTED, and it is hereby ORDERED that this matter also be DISMISSED WITH PREJUDICE.
