

**Table 2.25. Destination of U.S. Photovoltaic Cell and Module Export Shipments by Country, 2006**

| Country                            | Peak Kilowatts | Percent of U.S. Exports |
|------------------------------------|----------------|-------------------------|
| <b>Africa</b>                      |                |                         |
| Angola                             | 0.5            | *                       |
| Egypt                              | 307.0          | 0.2                     |
| Kenya                              | 172.0          | 0.1                     |
| Nigeria                            | 5.5            | *                       |
| South Africa                       | 385.0          | 0.3                     |
| Tanzania                           | 6.0            | *                       |
| Total                              | 876.0          | 0.7                     |
| <b>Asia</b>                        |                |                         |
| Afghanistan                        | 83.0           | 0.1                     |
| China                              | 4,403.4        | 3.4                     |
| Hong Kong                          | 2,116.0        | 1.6                     |
| India                              | 1,945.6        | 1.5                     |
| Indonesia                          | 13.0           | *                       |
| Israel                             | 55.0           | *                       |
| Malaysia                           | 2.5            | *                       |
| North Korea                        | 42.0           | *                       |
| Saudi Arabia                       | 1.0            | *                       |
| Singapore                          | 2,348.8        | 1.8                     |
| South Korea                        | 4,021.0        | 3.1                     |
