SUBJECT: 2003 Financial Assistance Factors

BACKGROUND:

In MGR-03-003, the Risk Management Agency (RMA) announced the 2003 Targeted States Crop Insurance Financial Assistance Program for producers in fifteen States. Action Item No. 5 listed the financial assistance factors by coverage level. Paragraph 5 of the Action Section further stated that RMA would reduce the factors on a pro-rata basis if participation in the program resulted in an amount of financial assistance payments that exceeded the amount of funding allocated.

ACTION:

For fiscal year 2003 RMA has determined that sufficient funds exist to cover all financial assistance expenditures. Therefore, the financial assistance factors will not be reduced on a pro-rata basis.
