

SECTION 3

CGI Training Tape Library

Overview

The Coast Guard Institute stocks training DVD's, which can be ordered by the units Education Services Officer (ESO)? These DVD's are expendable items and may be ordered individually.

The time length of each DVD varies from 10 to 120 minutes per topic. The DVD format was selected because of its availability at all Coast Guard units large and small. The ESO should preview the DVD's contents for applicability prior to showing the DVD at the unit.

Note: These DVD's should be incorporated as a supplement to unit's overall training program.

Use the ACGI-2100 Online Ordering form to order training videos. The CGI will send the video(s) to the address entered by the ESO. The ACGI-2100 Online Ordering form is only available through TACCTS. *[For procedures on how to access and correctly fill out the ACGI-2100 Online Form through TACCTS see SOP for TACCTS under the help link on the NRT TACCTS home page]*

Please forward any questions, suggestions, or evaluations to the CGI RSS Department through TACCTS or call: 405-954-7238. For more information on ordering training videos see SOP for CGI NRT and RSS ESO Vol. I.
