Re: *In the Matter of TALX Corporation, File No. 0610209*

Dear Mr. Frank:

Thank you for your comments on behalf of PeopleSystems regarding the proposed consent order in the above-captioned matter. Your letter requested that the Order be revised to add sales and marketing representatives to the categories of employees included in the Order as able to avoid their non-compete agreements when leaving TALX to work for another UCM provider. The Commission has reviewed your comment in connection with its decision whether to give final approval to the proposed consent order and has placed the comment on the public record.

After considering the PeopleSystems comment, the Commission has determined that the public interest would be served best by issuing the Decision and Order in final form without making this change and instead making only certain minor changes to clarify certain provisions and correct typographical errors. The main operative provisions remain essentially unchanged.

We appreciate your interest in this matter. A copy of the final Decision and Order is enclosed for your information.

By direction of the Commission.

Donald S. Clark
Secretary
