COURSE

STCW? APPROVAL

CELESTIAL NAVIGATION (200 TONS)

Any applicant who has successfully completed your 80-hour Celestial Navigation (200 Tons) course and presents your Certificate of Training at a Regional Exam Center WITHIN ONE YEAR of the completion of training, will satisfy the celestial navigation examination requirements of 46 CFR 10.215(c) and 10.401(d) for adding an "Upon Oceans" endorsement to any deck license up to Master Not More Than 200 Gross Tons, or to a license as Master or Mate of Uninspected Fishing Industry Vessels.. NOTE: School formerly "Marine Safety Consultants/Tidewater School of Navigation."

CELESTIAL NAVIGATION (MANAGEMENT LEVEL)

Any applicant who has successfully completed your 80-hour Celestial Navigation (Management Level) course and presents your Certificate of Training at a Regional Exam Center WITHIN ONE YEAR of the completion of training, will satisfy the celestial navigation problems AND the Navigation and Deck General examination requirements to increase the scope of a license as Master 500/1600 Gross Tons from Near Coastal to Oceans (exam modules 206XX and 207XX). The practical assessments in this course will be accepted as the equivalent of the assessments M-1-2D; M-1-2E and M-1-2F from the National Assessment Guidelines for Table A-II/1 of the STCW Code.. NOTE: School formerly "Marine Safety Consultants/Tidewater School of Navigation."

CELESTIAL NAVIGATION (MASTER 500/1600 TONS)

Any applicant who has successfully completed your 80-hour Celestial Navigation (Master 500/1600 Tons) course will satisfy ONE of the following: (1) the Celestial Navigation training requirements for certification as Officer in Charge of a Navigational Watch on vessels of 500 or more gross tonnage (ITC); --OR-- (2) if presented within one year of the completion of training, the celestial navigation problems examination requirement to increase the scope of a license as Mate 500/1600 Gross Tons from Near Coastal to Oceans (exam module 186XX); --OR-- (3) if presented WITHIN ONE YEAR of the completion of training, the celestial navigation problems examination requirements to increase the scope of a license as Master 500/1600 Gross Tons from Near Coastal to Oceans (exam module 206XX). This course will NOT satisfy the Navigation General or Deck & Navigation General examination requirements to increase the scope of a license as Mate or Master 500/1600 Gross Tons from Near Coastal to Oceans (exam modules 187 XX or 207XX).. NOTE: School formerly "Marine Safety Consultants/Tidewater School of Navigation."

CELESTIAL NAVIGATION (OPERATIONAL LEVEL)

Any applicant who has successfully completed your 120-hour Celestial Navigation (Operational Level) course will satisfy EITHER: (1) the Celestial Navigation training requirements for certification as Officer in Charge of a Navigational Watch on vessels of 500 or more gross tonnage (ITC); --OR-- (2) if presented WITHIN ONE YEAR of the completion of training, the celestial navigation problems and the Navigation General examination requirements to increase the scope of a license as Mate 500/1600 Gross Tons from Near Coastal to Oceans (exam modules 186XX and 187XX). In conjunction with this course, any approved instructor is authorized to sign-off for a successful demonstration on the students' "Control Sheets" for assessments OICNW-1-1A, OICNW-1-1B, OICNW-1-1E, and OICNW-1-1F from the National Assessment Guidelines for Table A-II/1 of the STCW Code.
