

Foreign Transcripts

Every once in a while the CG Institute receives a transcript from an institution from outside the United States. In those instances we will not be able to utilize that particular transcript. Members in that situation can have an independent evaluation done of the transcripts they have received from the foreign institution will be transcribed into standard academic courses for use in the U. S. and maybe accepted by U.S. institutions.

One of our partnership institutions recommends Educational Credential Evaluators, Inc (*). The CG Institute recommends that you contact the institution that you are planning on attending to determine to which organization they prefer. There is a fee for this service, contact the organization directly for forms and fee schedule.
