ORDER DENYING PETITION FOR EN BANC REVIEW

The Certifying Officer's denial of labor certification in the above-referenced matter was affirmed by a panel of the Board of Alien Labor Certification Appeals (the Board) on June 14, 1989. Thereafter, Employer on July 6, 1989, filed a Petition for En Banc Review.

Upon consideration of the arguments, the Board concludes that en banc review is not necessary either to secure or maintain uniformity of decision or to resolve a question of exceptional importance. Accordingly,

IT IS ORDERED that Employer's Petition is hereby DENIED.
